

We are thankful for partners like you who help share the Gospel and start new churches in unreached areas. Have you ever considered how to extend your impact to leave a long-lasting legacy? There are many ways you can help grow God's Kingdom.

PEACE OF MIND

You have worked hard to enjoy the life you have. God's blessings are many and you acknowledge He is the source of it all. But this life will not last forever. In fact, the Bible tells us our lives are a mere breath, a mist that will soon vanish. Now is the time to prepare for the day when the Lord calls you home.

If you have accepted Christ as Lord and Savior, you have made your spiritual preparations. There is more yet to be done. What kind of legacy would you like to leave behind for those still here?

Reach A Village wants to partner with you in estate planning, to help ensure you leave a legacy that matters—one that helps others have an opportunity to know Christ. There are many options and opportunities available for your consideration. Anyone of any means can offer a meaningful gift. God takes what we have to offer and uses it for His Glory.

GODLY STEWARDSHIP

Reach A Village was built on principles of biblical stewardship and strives to practice them continually. It is our honor and joy to extend that ministry to you by offering options and opportunities for you to leave behind a lasting legacy long after you are gone.

Some of these options offer valuable financial savings in the form of tax benefits. We desire to serve you by providing education and information to maximize your impact on God's kingdom—for generations to come, should the Lord tarry.

'The fear of the Lord is a fountain of life,
To turn one away from the snares of death.'
Proverbs 14:27 (NKJV)

To live well comes from a consistent flow of wise decisions that bear lasting fruit.
