CHILDREN'S BIBLE MINISTRY | SERBIA

Rebecca

Bible camps are an exciting outreach ministry in Eastern Europe. Stojce, a Reach A Village ministry partner, shares about a camp that recently took place in Serbia.

Adult leaders organized this camp to teach English.

Youth from the local church plus about 40 youth from the village participated. Each day, the leaders shared the message of the Gospel.

"Already on the second day of the camp, we had a lot of opportunities to talk about spiritual things with the campers," Stojce says. "We were amazed by what the Lord was doing."

When they explained who God is and how to have a personal relationship with Him, the Holy Spirit moved in many hearts. Fifteen young people from the group prayed for the first time and became followers of Jesus.

"A girl named Rebecca prayed to accept Jesus during the camp," Stojce says. "After going home, she shared with her family and friends what happened at the camp. The next day, three of her friends prayed to receive Jesus and gave their lives to Him. It's a privilege for us to be part of what God is doing in our country and to see God on the move among our youth."

During 2022:

19,705 children and youth committed their lives to Jesus!

STARTING NEW CHURCHES | THAILAND

Sampan is 70 years old. He still remembers when he heard the Gospel for the first time. "I heard about Jesus when Ruth came to my village," he says. "That was on November 12, 2020." Ruth and her team are Reach A Village ministry partners.

A few weeks later, Sampan began having problems with his eyesight. The condition grew worse rapidly. He suffered all the time with double vision, dizziness and headaches. The doctors told him surgery might fix his problems, but there were no guarantees.

A local believer shared Bible stories with Sampan, especially stories about the healing touch of Jesus. He reminded Sampan that Jesus has the power to heal mental, physical and spiritual illnesses.

"I didn't want surgery on my eyes because it was expensive, and it scared me," Sampan says. "So instead, I reached out to Jesus. I said, 'Jesus, I have a problem with my eyes. Please help me!'"

Jesus did help Sampan! The next day after that prayer, he began seeing clearly. His double vision was gone. "Now, I tell everyone what Jesus has done for me," he says. "I have told almost everyone in my village how Jesus has healed me, and that Jesus can help them, too."

BIBLE STUDY MINISTRY | MOLDOVA

Larisa and her husband, like most young people in Moldova, dreamed of having a house of their own. They started building it together. She gave birth to a son. When she was pregnant for a second time with a girl, her husband was hit by a tractor and died.

Larisa

A widow with two children in a village where she had no relatives, Larisa didn't know where to turn. Her mother-in-law added to her pain by telling her that she was responsible for her husband's death.

"I didn't know what to do with the pain in my soul," Larisa says. "For many years, I lived with guilt about my husband's death."

One day, Larisa heard that a follower of Jesus was gathering people in her village to study the Bible together. After a while, she decided to join them. She attended the meetings every week and soon decided to follow Jesus, too. She repented of all her sins and was baptized.

"I pray that one day my whole family will come to know Jesus," she says. "I started a women's Bible study group, and we use materials provided by Reach A Village. I love the Word of God."
